Dear Vincent:

What a magnificent fireworks display! We were spellbound. Personally, the display that accompanied "Shenandoah" was the most unique and beautiful fireworks I have ever witnessed. On behalf of the 70-80,000 people lined up along the Mississippi River banks on Saturday, may I say, "Well done". The barbecue contestants, without exception, expressed their feeling that they had NEVER seen anything quite like it, and the trip to St. Louis was worth their expenses just to see the fireworks. Congratulations!

I am enclosing the invoice covering the security costs incurred prior to the shoot. I have included an administrative cost to cover the time involved in scheduling the men, logging hours, and writing checks. Your check should be made to Public Events, Inc. and sent to 1206 S. 18th Street in St. Louis, Mo. 63104.

If you have any questions, please feel free to call. It has been delightful to meet you and your lovely family, and we look forward to working with you again.

Kind regards,

*Nancy*
